- **How is your camp different than others in the area?**

We are a Christ centered 501c3 nonprofit. We use basketball as a tool to reach and impact young people across the upstate of South Carolina. Our travel teams are 4 time state champions. Our organization has helped over 50 girls go to college on college scholarships. All the funds raised will go for scholarships for those young men and women who cannot afford to participate otherwise. Basically you get the highest level of instruction possible with a Christ centered approach.
